

Export Compliance Acknowledgement

I, the undersigned, understand that it is a crime to export or travel with US manufactured night vision devices outside of the United States, or to allow a non-US Citizen to look through Gen 3 night vision devices.

I understand that I am responsible for compliance with any and all U.S. Government export controls and regulations and that, if I violate them, it could result upon conviction in severe criminal and civil penalties (including substantial fines, imprisonment, seizure of controlled products, and technical data, and/or suspension/removal of export privileges) for me, or any entity that I represent.
